women each year. The personalized employment readiness and life stabilization program helps the homeless find employment. The organization has showrooms, a laundromat, a sewing room, and a shop for homemade and second-hand items. They also have a food pantry, a community garden, and various social services. 

How You Can Get Involved: Contact the organization directly or volunteer through local church groups or community service organizations. You can also donate supplies or money to support their ongoing efforts. 

Dining Guide Contact Us

**Youth Pride**

Mission: Founded in 1998, the organization helps young people by providing support, counseling, and education. Youth Pride operates on a $30,000 annual budget and has served over 100 people in the past year. They provide counseling, education, and support to young people who are facing challenges such as homelessness, unemployment, or family issues. 

How You Can Get Involved: Youth Pride needs volunteers to help with events and fundraising activities. They also accept donations to support their programs. 

Prevent Blindness Georgia

Mission: The organization, located in Atlanta, has an annual budget of $800,000, seeks to prevent blindness and preserve vision for Georgia residents. They provide education and services to prevent vision loss and blindness. 

How You Can Get Involved: Prevent Blindness Georgia offers programs and events to educate the public about eye health and to raise awareness about the importance of regular eye exams. They also accept donations to support their programs.

RELIABLE FLOOR CO.

"I've used Reliable Floor Co. for the last 12 years. There is no other company I would trust to do our hardwood floor work. Their work is impeccable and they start and finish when they say they will. Their name says it all."
