EMORY UNIVERSITY:

Established in 1836, Emory is a progressive teaching, research and service university, comprised of nine major academic divisions and featuring numerous centers for research and advanced study, as well as a broad base of distinguished affiliates. Goizueta Business School was founded in 1919 and named after the former CEO of the Coca-Cola Company, Roberto C. Goizueta in 1994. Led by President James W. Wagner, the University has 11,300 students and 2,500 faculty members who represent all regions of the United States and more than 100 foreign nations. Emory is part of a worldwide network that includes The Carter Center, EmTech Biosciences, and the Centers for Disease Control and Prevention. Emory welcomed its first international student to campus over one hundred years ago.

THE CAMPUS:

Nestled within the tree-lined residential campus of Emory University, Goizueta lies just a few miles from the heart of downtown Atlanta. With a population of more than 4.8 million people and the world's busiest airport at its disposal, Atlanta boasts the third-highest number of Fortune 500 corporate headquarters. The city attracts three-fourths of the Fortune 1000 with a thriving entrepreneurial and business climate that features names ranging from multinational corporations such as The Home Depot, The Coca-Cola Company and UPS to the vast array of small startup ventures found in our technology corridor. Emory is a non-smoking campus.

THE ROBERTO C. GOIZUETA BUSINESS SCHOOL:

Goizueta provides a superior education in a highly engaged and close-knit community, featuring a distinctive and nationally-recognized approach to leadership development and access to many of the world's most recognizable names in business. The combination provides unique advantages that are unmatched by any other Business School.

Our globally recognized faculty is comprised of thought leaders who publish in top journals, have taught at the finest Business Schools around the world and have chosen Goizueta because it is a place where professors and students know each other personally. Our small class size fosters an environment in which a great deal of learning and professional development occurs through peer interaction. In this setting, every voice is heard, every accomplishment matters, and every single student has the ability to have a profound impact on the organization. Furthermore, Goizueta develops leaders through a holistic approach that combines the academic foundation acquired in the business curriculum with a broad range of opportunities for personal maturation and professional growth. Lastly, Goizueta is committed to educating principled leaders; we believe that it is our responsibility as an institution to use our collective gifts to achieve not only success, but also significance. As individuals we are committed to the organizations in which we participate, the populations we serve, the communities in which we operate, and to society as a whole.

Our facilities are modern with academic buildings constructed in 1997 and 2005. We have a small sandwich shop in our building and plenty of study space. There is no smoking allowed on campus.
ACADEMIC ENVIRONMENT:

CLASS FORMAT:
- Seminar style classes varying Case method and Lecture (by professor and subject matter)
- Team projects popular
- Active class participation strongly encouraged

ATTENDANCE: Class attendance mandatory.

GRADING: The Goizueta Full-time MBA program has developed an alternative grading format without a grade point average in order to encourage students to broaden their horizons. Students receive grades of Distinguished (DS), High Performance (HP), Performance Standard (PS), Low Performance (LP) or No Credit (NC). Students are considered passing at all grade levels except for No Credit. There is a limit of two (2) grades of Low Performance in a semester. The Goizueta Business School BBA Undergraduate Program uses a standard grading system of A, A-, B+, B, etc.

PARTICIPATION: Active class participation is required. It may be a part of the course grade.

CLASS SIZE: Average is about 45 in MBA and BBA elective classes.

AVERAGE COURSE LOAD: MBA Students take between 4 and 6 academic classes per semester. A minimum of 4 academic classes are required for exchange students.

EXAMINATIONS: Final exams and final projects are scheduled in the last week of a semester. The exam schedule is made available during the semester.

HOUSING ACCOMMODATION DETAILS:

OFF CAMPUS HOUSING:
We strongly recommend housing arranged by the International Program Offices for exchange students. We arrange for furnished apartments and assist with roommate matching at apartments that are next to the Emory campus. These apartments allow for a short term lease, no deposit and easy payment options for utilities.

While numerous options for off-campus living are available in the surrounding Emory community, they often require a year-long lease and access to a car. Within a five-mile radius, there are many housing options with varying amenities. For assistance in finding off-campus housing, visit the Emory Off-Campus Housing Finder. [http://housing.emory.edu/off-campus/home.cfm](http://housing.emory.edu/off-campus/home.cfm)

HEALTH INSURANCE:
Health insurance is mandatory for all exchange visitors. Emory requires all degree-seeking students to have health insurance. Rates for insurance coverage vary each semester. Students will be automatically enrolled in the Emory University Student Health Insurance Plan. Exchange students may elect to decline this coverage by completing the Waiver Option form, if they can show proof of sufficient alternative coverage with access to covered healthcare in Atlanta.

SPORTS FACILITIES:
Emory has two state of the art recreation centers for its students. The Woodruff Physical Education Center is less than 5 minutes from the Goizueta Business School and includes an Olympic-sized pool, a rock-climbing wall, weight training facilities, indoor and outdoor running tracks, indoor and outdoor tennis courts, four basketball courts and numerous racquetball, squash and badminton courts. The Student Activity & Academic Center also offers an outdoor Olympic-sized pool, indoor weight training facilities and numerous outdoor tennis courts. All facilities are free to students with a Student ID.

STUDENT ASSOCIATIONS:
Goizueta has over 20 student led associations grouped by academic focus or regional interest.

STUDENT SERVICES

ORIENTATION:
There is a mandatory orientation for BBA and MBA exchange students hosted by the MBA Program Office, including sessions by the International Students and Scholars Services Office (ISSS).

ADVISING:
Academic and other advising services are available through the Program Offices.

CAREER SERVICES:
For MBA students, the Career Management Center (CMC), a department at Goizueta Business School, provides career assistance to exchange students. Services include the ability to attend on-campus company presentations, a career advisement appointment, presentations and seminars including some specifically for non-US citizens, access to the Business Library which houses corporate research information, publications, and the ability to view off-campus job postings. Exchange students can participate in on-campus interviewing, providing they comply with CMC policies and have prepared appropriately for them. Specific policies can be obtained from the CMC by emailing MBACMC@emory.edu.

BBA students attending the Goizueta Business School are welcome to take advantage of the following career resources:
- Eagle Ops job posting service: [http://www.career.emory.edu/students/apply_for_jobs.html](http://www.career.emory.edu/students/apply_for_jobs.html).
- Career Services workshops and events
- Employer information sessions and events
- Online career resources through the business library including: Vault, Wetfeet, and company research databases.
- Online career resource via BBA Career Management Center (CMC) and University Career Center:
  - BBA CMC: [http://www.goizueta.emory.edu/degree/undergra_p_cmc.html](http://www.goizueta.emory.edu/degree/undergra_p_cmc.html)
  - University Career Center: [http://www.career.emory.edu/](http://www.career.emory.edu/)

COMPUTER SERVICES:
Goizueta strongly recommends that students own a computer with Internet capability. Owning a computer with network access allows students to take advantage of Emory’s wireless network and access the Internet throughout the Emory campus. There are approximately 40 computers for student use in the Business School. Computers are also available at the Library and Cox Hall and there is a small computing center on Clairmont Campus.
